Arizona Council of the Blind needs volunteers for their convention May 2-3.

Lion Marge Tellecamp is requesting clubs donate to the Leader Dog Fund. After a brief conversation our finance committee agreed to donate \$200.00 to this project. Motion was made by Lion Dave Pryce, seconded by Lion Jack that we approve this donation. Motion carried.

Special Olympics will be held at the Mesa Community College this year, May 2nd, 8:30-1:30. Volunteers needed. Please contact Lion Joan Williamson if you are interested.

NEW BUSINESS: Number of voting delegates for the MD Convention in May would be 4 with 4 alternates. Right now we have three members attending.

PIR is coming up again April 16-18. Volunteers are needed for Thursday and Friday. Lions Dave L., Ron and Jack are planning to volunteer.

OLD BUSINESS: Discussion was given to the golf tournament. Lion Mark has a friend at Ping and is trying to get a set of clubs donated for the tournament. Discussion needs to be given to the best way to maximize our income from these donations. 100% of all proceeds from the Mulligan sales goes to the Lionesses.

Black Canyon Hamburger Flip was a huge success. All the burgers were sold. Looks like we took in approximately \$890.00! The salmon dinner results are not final but income should be right at the \$2100.00 range.

Lions Henry, Françoise and Gary participated in the Walk for Sight. Amount of donations raised is not final yet.
